

KA220-ADU - Cooperation partnerships in adult education

Project Nr: 2023-1-BG01-KA220-ADU-000156540

The “Power Up!” project, (project no. 2023-1-BG01-KA220-ADU-000156540) funded by the European Union under the Erasmus+ framework, is a collaborative effort aimed at enhancing the digital and entrepreneurial skills of young adults with special educational needs (SEN) across the partner countries, Bulgaria, Italy, Cyprus, Austria and Greece.

The project is committed to serving young adults with SEN, including those diagnosed with dyslexia and Autistic Spectrum Disorders. It also focuses on adult trainers and educators specializing in SEN, providing them with updated methodologies and resources to enhance their teaching practices.

#### Objectives:

- To promote inclusion and diversity by focusing on providing learning opportunities that are accessible and tailored to the needs of young adults with Special Educational Needs (SEN).
- To help develop the entrepreneurial skills of SEN youth, by fostering a culture of entrepreneurship among young adults with SEN.
- To enhance digital literacy via integrating modern technology into the learning process by developing and utilizing a Massive Open Online Course (MOOC) platform for the dissemination of the training material.
